

NonProfit AI Control Tower

Welcome to Nonprofit Control Tower — the AI-powered operations platform built exclusively for US nonprofits. A team of AI agents running 24/7, surfacing what needs your attention, automating what doesn't.

THE PROBLEM

Your Team Wastes 16+ Hours Weekly on Operational Work AI Should Handle

Manual Reconciliation

1.5 hrs/week matching payments to donors

CRM Data Chaos

2.5 hrs/week cleaning duplicates, incomplete records

Grant Deadline Blindness

3 hrs/week firefighting missed deadlines

Board Report Assembly

5 hrs/week pulling data from multiple systems

Event Follow-Up Delays

4 hrs/week tagging attendees, sending thank-yous

TOTAL WASTE

16.5+ Hours/Week = Nearly Half a Full-Time Staff Position

THE SOLUTION

Seven AI Agents. Running 24/7. For Your Nonprofit.

Every operational task that doesn't need human judgment — automated.

 CRM Data Integrity — Finds duplicates, flags gaps

 Reconciliation — Matches payments automatically

 Grant Compliance — Tracks deadlines, utilization

 Event Intelligence — Surfaces follow-up gaps

 Board Reporting — Assembles formatted reports

 Mid-Donor Upgrade — Scores upgrade readiness

 Voice Notes AI — Extracts donor intelligence

ORG HEALTH SCORE — ONE NUMBER, FOUR DIMENSIONS

Know Where You Stand. Every Time You Log In.

Org Health Score: 74/100

Data Quality: 82% — 3 duplicate pairs flagged

Grant Health: 67%  — 1 report due in 8 days

Reconciliation: 98% — 1 transaction pending

Agent Activity: 5/5  — All operational

AI Insight

"Grant health is below target. 2 reports due within 14 days. Review recommended."

ROLE-SPECIFIC DASHBOARDS

Four Roles. Four Dashboards. Zero Noise.

-  Executive Director: Org health, grants at risk, board reports, full AI briefing
-  Development Director: Donor pipeline, event follow-ups, voice notes, upgrade prospects
-  Finance Manager: Reconciliation, transactions, grant spend, budget variances
-  Operations Manager: Data health, duplicates, integrations, agent status

AI AGENTS IN ACTION — CRM & RECONCILIATION

Duplicates Found. Transactions Matched. Automatically.

Results

CRM Agent: 2.5 hrs/week → 10 min/week

Reconciliation Agent: 1.5 hrs/week → 5 min/week

Total Saved: 3.75 hours/week
