

Realtorhelp.software
Your 24/7 AI Employee for Real Estate Agents

RealtorHelp Software

Welcome to RealtorHelp.software — the AI-powered follow-up assistant that drafts every client message for real estate agents. Your AI employee writes. You review and approve. Nothing is ever sent without your sign-off.

THE PROBLEM

You're Losing Deals Every Week to Slow Follow-Up

SLOW RESPONSE TIME

Lead texts at night → You see it in the morning → They're already gone

INCONSISTENT FOLLOW-UP

23 leads need contact → Only 3 get messages → 20 go cold

RE-ENGAGEMENT PARALYSIS

15 cold leads sitting in CRM → Can't find the right words → Never reach out

SOCIAL MEDIA TIME SINK

45 minutes per post → Low engagement → Takes time from selling

**TOTAL ANNUAL
IMPACT**

15-20 Lost Deals = \$150,000+ in Missed Commission

THE SOLUTION

Every Message. Drafted by AI. Approved by You.

NEW LEAD FOLLOW-UP

AI writes intro messages instantly

INBOUND REPLY DRAFTING

Every text gets a response draft in minutes

COLD LEAD RE-ENGAGEMENT

AI surfaces and drafts for inactive leads

SOCIAL MEDIA CONTENT

AI writes platform-optimized posts

HOW IT WORKS — AI MESSAGE DRAFTING

Meet Your AI Assistant — The Employee Who Never Sleeps

Key Features

- ✓ Drafts ready within 60 seconds of inbound message
- ✓ Reads full conversation history + lead memory
- ✓ Writes in YOUR voice (based on your profile and tone settings)
- ✓ Color-coded confidence scoring (75%+ = green)
- ✓ You approve, edit, or reject — nothing sends automatically
- ✓ Works 24/7, even when you're off the clock

Sample Conversation

Carlos Mendez Engaged

Email: carlos@example.com Phone: +15550103

Notes
Asked about mortgage pre-approval process.

Conversation
Hey, what's the typical timeline for getting pre-approved? I want to be ready to move quickly.
Great question Carlos — usually 3-5 business days with the lenders I work with. Want me to introduce you to one?

APPROVAL INBOX + LEAD MEMORY

One Inbox. Every Message. Total Control.

APPROVAL INBOX

- ✓ Response time: 12+ hours → <2 minutes (to draft)
- ✓ Follow-up consistency: 15% of leads → 95%+ of leads
- ✓ Messages reviewed per morning: 8–12 drafts in <10 minutes
- ✓ Agent writing time: 2+ hours/day → 10 minutes/day

LEAD MEMORY

- ✓ AI profile updated after every interaction
- ✓ Used as context for every new draft
- ✓ Visible on every lead detail page
- ✓ Enables truly personalized follow-up at scale

COLD LEAD RE-ENGAGEMENT

Never Let a Lead Go Cold Again

OLD WAY

Lead goes quiet → Sits in CRM → Agent feels awkward reaching out → Lead never contacted again → Lost deal

NEW WAY

Lead goes quiet for 3+ days → Inactivity Agent analyzes conversation → AI drafts re-engagement message with reasoning → Agent reviews and approves → Lead re-engages

RESULT

40–60% re-engagement rate on previously cold leads
