

ePhysician Control Tower

Welcome to ePhysician Control Tower, the AI-powered automation platform that runs your clinic's phone, reminders, check-in, and billing on autopilot 24/7.

THE PROBLEM

Your Clinic **Loses \$250K+** Annually to Manual Operations

🚫 NO-SHOWS: 15% rate =	\$144K/year lost
☎️ PHONE OVERLOAD: 20 hrs/week =	\$18K/year wasted
💳 MISSED COPAYS: 40% uncollected =	\$30K/year lost
🕒 CLAIMS DELAYS: 60-90 day cycles =	\$60K+ delayed
TOTAL ANNUAL LOSS:	\$252,000+

THE SOLUTION

Phone. Reminders. Check-in. Billing. **All on Autopilot.**
