The Story Behind **SJ Innovation LLC**

Founded in 2004 and headquartered in New York City, SJ Innovation constantly strives to deliver custom solutions to fuel client success. We're an ISO-certified, Clutch-recognized, Certified NYC Minority Owned Business Enterprise (MBE), and INC. 5000-recognized company and we are committed to excellence and fostering lasting business relationships. It's what has earned us a thriving reputation over the last twenty one years!

Leadership at SJ Innovation LLC

Shahed Islam

Co-Founder and CEO, SJ Innovation

“

Innovation thrives when technology meets human potential. Our mission is to bridge that gap with scalable, impactful AI solutions.

Empowering your business through technology, driven by a team that genuinely cares. Because when you succeed, we succeed.

”

Shahera Choudhury

Co-Founder and COO, SJ Innovation

Why AI First

We use AI across every department to deliver faster with better quality and visibility.

Speed

AI accelerates delivery across discovery, design, build, QA, and DevOps.

Quality

AI-assisted reviews and testing reduce defects and regressions.

Visibility

Control Towers provide real-time status, risks, and delivery forecasting.

Governance

Client-approved tools. Secure environments. Mandatory senior + security review.

SJI Labs

Explore cutting-edge AI solutions tailored for your industry. SJI Labs showcases real-world implementations across healthcare, real estate, finance, and enterprise sectors. Discover how we transform industry challenges into intelligent solutions through custom AI development, automation, and innovation.

What Our Clients Say About Us

They are incredible partners to work with!

Rachel Blacker
Manager, X Company

The turnaround times of deliverables have been the most impressive area they excel in.

Jackson Yomogida
Co-founder, GG

They delivered everything on time and made all the adjustments as requested.

Executive
Zoranssons

I am extremely pleased with our conversation and the outstanding work you have been doing on my website.

Keith Fonseca
CEO, AJF

Their blend of technical skill, reliability, and genuine passion for clients' success makes this company unique.

Executive
iVolunteer International

They are very professional and easy-going, and it is easy to communicate with their team.

Zakir Farajee
COO, 4site

The workflow is really good, and the time difference is never an issue.

Manager
Johnson & Johnson

We are very happy with all aspects of SJ Innovation LLC.

Rendall Satin
CEO, Tour Patron

They are always on top of everything!

Owner
News Platform

They are exceptional and I would highly recommend them.

Manager
Johnson & Johnson

They are very communicative and timely, and always open to suggestions and feedback.

Christian Hadjigeorgiou
Founder, POWERLEAN

A great service we have been using for many years!

Eleonora Cavazzini
Palazzo Strozzi Foundation
